PETITION UNDER 37 C.F.R. § 1.10

As provided by 37 C.F.R. § 1.10(c), Applicants respectfully petition the Director to correct the filing date of the present application so that it corresponds to the “date-in” on the “Express Mail” mailing label. The application was mailed by the “Express Mail Post Office to Addressee” service of the USPS on June 6, 1995 (receipt number #TB888886812US) and subsequently received by the USPTO on June 7, 1995. The application was assigned a file date of June 7, 1995 by the USPTO. Applicants respectfully request a corrected file date of June 6, 1995.

A Request to Correct the Filing Receipt was promptly filed on July 10, 1996. Applicants’ request was denied by the USPTO in a paper mailed October 18, 2007. Accordingly, Applicants respectfully assert that this petition has been filed promptly after Applicants learned that the USPTO would not correct the filing date of the application by way of a Request to Correct the Filing Receipt.

Applicants respectfully assert that the receipt number of the “Express Mail” mailing label was provided on the transmittal paper submitted with the patent application (Request for Filing Divisional Application) and with a Declaration of Mailing by Express Mail.

Applicants include herewith a true copy of the “Express Mail” mailing label showing the “date in.” Although not required by 37 C.F.R. § 1.10(c), Applicants also include herewith a copy

of the Declaration of Mailing by "Express Mail", post card, and Request for Filing Divisional Application, all of which were filed with the present application and clearly provide "Express Mail" number TB888886812US.

Although Applicants do not believe that a fee is required for a petition under 37 C.F.R. § 1.10, the Commissioner is hereby authorized by this paper to charge any fees which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account No. 50-1283. This paragraph is intended to be a **CONSTRUCTIVE PETITION FOR EXTENSION OF TIME** in accordance with 37 C.F.R. § 1.136(a)(3).
